## FROM OUR EXECUTIVE DIRECTOR

2021 will go down in history for many reasons, good and bad. What has been so impressive to me is how the Steamboat Springs community and especially our Tennis and Pickleball community has worked together to stay strong and resilient through these challenging times. Taking care of 2,700 new players during a pandemic has required flexibility and patience from many. Center staff and volunteers are generous, caring and dedicated to our mission. The laughter, the successes on and off the court and the people of the Center keep me inspired and passionate about the work we do.

Here's to an even better 2022!

  
Loretta Conway

## FROM OUR BOARD CHAIR

The CS4L Board is so excited that Phase 1 of modernizing our beloved Tennis and Pickleball Center will begin this Spring! I am particularly proud of our Capital Campaign Committee and their success in tapping the benevolence of our donors, and of our Building Committee in pushing this project forward, balancing both upfront and ongoing costs.

We still have much to do to reach our ultimate Phase 2 goal of a new indoor facility. Thank you all for your generosity to date, and thank you in advance for your help to reach our ultimate dream in 2023!

  
Steve Modzelewski
