

Player Development
Fall/Winter 2022-2023

Tiny Tots – Ages 3 to 5

The 36 Red format is played on a 36-by-18 foot court, with a red foam or red felt ball and 19 to 21-inch racket or a foam hand. Players in this format are acquiring the skills of the basic ABCs (agility, balance and coordination). To begin points, tiny tot players are developing a consistent underhand toss and are learning to apply the proper ground-stroke technique. The basic swing path of low to high is introduced and tracking the ball is taught in many different forms.
